Europe Plunges into War

You may do this activity individually or in groups of 3 or less. As you read pages 411-415 fill out the vocabulary on this side of the sheet and answer the questions on the other side.

Vocabulary: *look for each term and write below WHAT it means and WHY it means it*

Example...

Central Powers: Germany & Austria Hungary, because of their location in the heart of Europe

Allies:

Western Front:

Schlieffen Plan:

Trench warfare:

Eastern Front:

Name:

Date:

Block: A B C D E

How did the soldiers feel at the beginning of the war? Why?

Why does the textbook consider the First Battle of Marne the single most important event of the war?

What new equipment was used in World War I?

What effect did the new equipment have?

On your own: Which of the new weapons do YOU think made the biggest difference in this war and why?

What characterized the war on both the Western Front and the Eastern Front?

Why were Germany and her allies concerned with more than just the Eastern & Western Fronts?
